L. B's report to President & Directors
dated June 31. 1820

7th Item —

In adjusting Claims of Individuals for land — I endeavored to settle them by purchasing on the upland enough for a roadway 60 ft wide, & over the Marshes by purchasing all within lines drawn parallel with the Middle line of the road embracing the road and a bench between it and the road, 20 feet wide, on one side; and on the other, the lines embrace a bench also of 20 feet wide — In this manner I have purchased and settled with the owners of Marsh land in Brookline between the Dudley Dam and the Old Punch Bowl road & have secured deeds of the same except in one instance of a Minor who has not yet obtained license from the Court. On the other part of the Punch Bowl road over the Marshes between the Dudley Dam & the Main Dam, only the owners of two lots remain to be settled with —

8th Item

on the Brighton Road — — —

there remains five lots of Marshes to be settled for — they will probably all be adjusted — Except in one or two instances that remain —

Feby 20. 1820.

L. Baldwin was appointed a Committee to carry into effect of the vote of the Directors passed on the 13th Jany 1819 relative to lands at Gravelly point & cause the necessary deeds & papers, for that purpose to be executed & reports -

That in pursuance of said Appointment he made out a deed to be executed by the Proprietors of lands at Gravelly point, Conveying to the Corporation one undivided moiety of their lands contained within the limits fixed for the Mills, road, Canal, Millrace &c. & also a contract between the Corporation & said Proprietors, relative to the division of said land &c pursuant to the Spirit & meaning of the report to which the said vote of Jany 13. 1819 refers -

The above is probable land at the Cross Dam -
